Confirmation of REACH*

* The information contained in this confirmation is not a legally binding commitment.

Dear customer,

We hereby declare that Schmees cast Holding GmbH with its associated companies Schmees cast Langenfeld GmbH and Schmees cast Pirna GmbH will duly implement and comply with our obligations under the [REACH-Regulation](#).

As a casting company for steel products, we supply a wide variety of grades for many areas of application. In accordance with [Artikel 3.3](#) of the REACH Regulation, we are not required to register as a producer. Under normal conditions and foreseeable areas of application, our products do not release any substances listed under REACH.

The articles manufactured by us as a so-called "downstream user" according to [Artikel 37](#) based in the EU consist for the most part of substances that are mass-produced goods and whose registration is therefore carried out by our suppliers. However, in the few cases where we source substances from Non-EU countries for the manufacture of our articles and are thus affected by the registration obligations as an importer, we will ensure that these are fulfilled - either through registration by means of an exclusive representative in the EU or by registration on our part.

Regarding [Art. 33](#) of the REACH Regulation, information obligation on substances of the so-called SVHC - "[Candidate List](#)", we inform you that the articles delivered by us to you do not contain substances in concentrations of above 0.1 mass%.

If you have any questions, please do not hesitate to contact us.

Best regards

SCHMEES holding GmbH
